

CONSTITUTION OF KEBBI PROGRESSIVE SOCIAL NETWORK

Preamble

We, the members of this youth movement, driven by the desire to promote civic awareness, digital advocacy, and political participation through social media, do hereby establish this constitution to guide our operations from the grassroots to the state level.

Article I: Name of the Group

The name of the group shall be:

[Kebbi Progressive Social Network]

Article II: Motto/Slogan

One Click, One Voice and One Change

Article III: Vision

To build a digitally empowered generation of youth that leads the movement for a better, united, and progressive state from the grassroots to the top.

We envision a future where every young person is a voice of change, using digital tools to drive good governance, promote civic responsibility, and secure a brighter future for all.

Article IV: Mission

To create a structured, youth-led social media movement that mobilizes, educates, and empowers citizens from ward to state level through online advocacy, civic engagement, and digital activism.

Our mission is to raise a generation of responsible, informed and connected youth who will influence political decisions, support credible leadership, and promote peace and development using the power of social media.

Article V: Aims and Objectives

Aims:

1. To help young people in Kebbi State speak up through social media.
2. To support good leadership, peace, and unity in our communities.
3. To build a strong network of young people from ward to state level.
4. To teach youth how to be good citizens and take part in politics.
5. To invite kind people and donors to support the future of Kebbi through youth.

Objectives:

1. Make sure every member has a smartphone and uses it to support group activities.
2. Grow and manage our social media pages (Facebook, WhatsApp, Instagram, TikTok, Twitter) to spread our message.
3. All members must share, comment, and support all group posts online.
4. Choose leaders in every ward and local government to organize members.
5. Hold online trainings and meetings to teach about elections, leadership, and rights.
6. Work with NGOs, media, and donors who support youth and civic work.
7. Promote peace, stop political fighting, and speak against lies on social media.
8. Do online campaigns that speak for the needs of the people of Kebbi.
